

## **Chee-Chee the Monkey**

Everyone in Puddleby knew Doctor Dolittle. He was one of the best doctors in town. He always knew just what to do when anyone was sick.

Doctor Dolittle loved all his patients.  
They loved him, too. They brought him  
good things to eat when they visited.

One day, the organ-grinder and his monkey, Chee-Chee, came to see the doctor. “Chee-Chee will not eat,” the organ-grinder said.

Doctor Dolittle had never had an animal patient, but he knew there were no pet doctors in town. He wanted to help.
