Letter Connections

Lowercase letter connections come in three forms.

1. SMILES - Most letters end with a smile.
The end stroke comes up from the baseline.

a c d e

2. GRINS - Four letters end with a grin.
The end strokes have a high ending.

b o n w

3. JUMPS - Four letters end with a jump.
The end stroke jumps up from the basement.

g j y z
